What will you need on D-Day?

- A computer with internet connection, and Zoom installed.
  Make sure your CAMERA and MICRO are working properly.
  You'll need them during the game.

- A smartphone or a tablet (fully charged!!), with internet connection (wifi or 4G).

- A sheet of paper and a pen

- Competitive and strategic spirit, good humor and creativity ;-)

# To do from September 25 (and before the activity)

Download the App "Mobile Adventures" on your tablet or smartphone.
The app is available on App Store and Google Play.

You'll recognise its green star shaped icon
Answer YES if the camera requests access to the App.

-> Mission accomplished when you see this page
: the code will be provided by the animators.

If you've played with this App before, make sure you update it!!
